detect any illegal residue(s) ?

YES

NO

Release the
commodity from
quarantine

A - Authority to quarantine is under
FAC section 12601, 12603, and
12671.

B - If transfer will be to a county not in
your region, coordinate with the
appropriate regional office.

C - If reconditioning will take place in
a county not in your region,
coordinate with the appropriate
regional office.

D - If the grower is from your region,
your office automatically becomes
the lead regional office for the case.
